With Dr. Matt Hill's recent announcement that Burbank schools will remain under a distance-learning model for the Spring semester, we are rolling up our sleeves and going to work on a calendar of activities for the remainder of the year with the knowledge that many social-distance restrictions will still be in place. The Board will be meeting soon to find out what we can reasonably expect the program to provide students and what we as a booster organization can do to support these efforts. Feel free to share your thoughts, concerns and questions with us by emailing info@jbhsima.org.

Additionally, please consider making a positive impact on the program as a Board member or in a number of key volunteer positions for next school year. A list of Board of Director positions is available [HERE](#) with other volunteer positions listed [HERE](#). This organization literally cannot do it without you. Email info@jbhsima.org with your interest in one of these positions or to serve on the Nomination Committee to help find the talented individuals who are right for the job.
