

## 2020 Fall ETHON

### for ALL BAND STUDENTS

Dear Band Families,

“Ethon” is a great online funding platform through **99 Pledges.com** for each of us to use to request donations from family and friends towards our \$450 per student donation goal.

Please use this link to submit up to 10 email addresses that I will enter into the Ethon platform under your student’s name:

If you have more than one student in the program, please submit another form.

Once Ethon is set up for your student, you will receive an email from 99 Pledges with a link that you can put on any social media platform. An email will also go out to all friends and family email addresses you provided so they can donate!

Even if you directly donate to the IMA, please consider also participating in Ethon. We’re all in this together to fund a great year for our band students.

Sincerely,
